

A JOB WELL STARTED WHICH MUST BE FINISHED

Crossfield and district has shown the entire country what it can do to help the war effort in a tangible manner by its "over the top" subscription to the Second Victory Loan. Crossfield and district can be, and is, proud of this record. But we must take it much further than supporting the government with our money. True, they need money and need it badly, but there are other things which are needed just as badly or even more... things which money now can not buy and yet which are around the country in masses. Those things are SALVAGE! Scrap iron! other metals! rubber! rags! paper! These are precious and much-needed in the war. This very paper you hold in your hand now is precious! That bundle of rags in the attic is precious! Every old piece of metal and rubber on the place is precious!

Are we going to neglect our duty and leave this material where it is... and at the same time sit and worry about the outcome of the war? We should see that every ounce of salvageable material in the Crossfield district is put into the hands of the men who are making the tools for our boys so they can finish the job which must be finished our way.

You may ask yourself: "What good is the little bit of salvageable material I have going to do to help lick the Axis?" It will do plenty when it is added to the vast quantities of like material which clutters every home in every community of every province in Canada.

Every time you feel like hitting the top of the table with your fist in hate of the Nazis and Japs, direct your energy where it will do some good—gather up some of the salvage around the place and get it ready to haul into town. If every person in every home were to do this, then we would be much closer to fighting an all-out war.

Now you are asking: "Where shall I take this material?" You get it ready to take to a collection depot in Crossfield and by the time you are ready, then the Board of Trade or some like organization should be ready to send it where it belongs to be made into guns, tanks, planes and bullets.

Justice Lodge Honored at Assembly

Five carloads of members of Justice Rebekah Lodge No. 62, Crossfield, journeyed to Calgary on Monday evening to the opening of the Rebekah Assembly of Alberta being there in that city this year.

At the invitation of Sister Mabel Watson, President of the Rebekah Assembly of Alberta, the degree staff of Justice Lodge exemplified the degree.

The Crossfield lodge was particularly honored on this occasion since it is the first time a small Rebekah lodge has been accorded this privilege.

For many years the staff has been under the leadership of Sister Mae Fox, P.P., but due to her illness, Sister Rosma Tweedie took over their training as degree captain.

After the exemplification, the degree captain and staff were highly complimented on their work.

Get \$10,000,000 More From New Wheat Price

Agriculture Tired of Being Poor Relation Says Brunson

Benefits to Alberta of the new 50 cent wheat price were dealt with in a radio address by E. W. Brunson, Calgary, secretary of the Alberta Federation of Agriculture.

Up to March 1, the farmers of this province had marketed from their 1941 wheat production, 50,000,000 bushels, he pointed out. Assuming a similar marketing volume from the ensuing crop, the increased price means \$10,000,000 more added to farm purchasing power within the next twelve months, he stated. He also summarized the conditions which led to the necessity for a higher price for wheat. His address in part was as follows:

AT LOW POINT

"One of the most enlightening statements published in recent months was that of a day or so ago, by the federal Bureau of Statistics, in which was set forth the buying power of the prairie wheat farmer now, as compared with former years. According to the bureau, the prairie wheat farmer's buying power is at the lowest point in ten years, the index figure having dropped ten points during 1941 to register 33.3, compared to 100.1 in 1927, and 100 in 1913.

"In other words, whereas a bushel of wheat in 1913, and again in 1927, bought a dollar's worth of other commodities, last year it purchased only a fraction more than 33 cents worth.

"These figures explain better than words, the dissatisfaction wheat growers have felt and have expressed, during the past year, with respect to their economic position. It is the basis of the actions which critics of western farmers have sometimes unthinkingly referred to as agitation and propaganda, for a reasonable place in the economic structure of the country.

"A great deal of publicity has been given during the past few days to the development at Ottawa of a 1942 wheat marketing plan to correct, at least in part, this adverse situation, and it may be concluded now, there is to be a lift of price from 70 cents a bushel, for No. 1 Northern at Port William, to 90 cents—an increase of 20 cents a bushel.

"This will mean that No. 1 Northern will bring the farmers at most points in the province of Alberta about 74 cents a bushel for their top grade of wheat. Last year their average price for No. 1 Northern at their local shipping points was about 54 cents a bushel. And on the basis of the marketing of last year's crop, up to March 1, of 50 million bushels, it also means there will be \$10,000,000 more of purchasing power for the province. This, as every business man knows, will be a healthy thing for the country as a whole.

"A wave of indignation swept the prairies when newspaper forecasts stated last week the 1942 price would remain at 70 cents, but that the government would pay a bonus of 20 cents a bushel. For months, farmers have been emphatically stating that with respect to the marketing of their basic product, wheat, as it is for food at home and abroad, they don't want bonuses.

"They are tired of being treated as the poor relations in Canada's citizenship. Fortunately, the proposal for the 20-cent bonus was short-lived, and while the 90-cent price may still leave something to be desired as a price for the 1942 wheat crop, farm leaders and the farmers themselves are glad to see the bonus feature entirely removed

Frances Cromer is one of the reasons why 2000 airmen filed into the concert hall at Exhibition Park every week to attend a CBC broadcast, "At Manning Depot". The program features the music of Russ Gerow's orchestra, comedy of Woodhouse and Hawkins and songs by Frances. The show is heard on CBC coast to coast network, Fridays 6.00 p.m.

\$86,000 Bought In Bonds

Three pennants fly from the flag pole in heart of Crossfield along with the mother flag of the Second Victory Loan to show the world that this district was all-out behind the effort of the Dominion of Canada to raise at least \$600,000,000 towards the costs of the war. The pennants mean that this district flew over its \$49,000 quota to a grand total of \$86,300.

Hard work of the organizers, committee and canvassers and the sincerity of the subscribers all helped to swell the figure to bring it up to this enviable total. The amount raised was subscribed by 476 persons making applications.

E. KINSEY WINS BOND

Mr. E. Kinsey was the winner of the second of two \$50 Victory bonds to be raffled by Mrs. E. Walker of Crossfield. Draw was made in the Oliver Cafe on Friday evening. Mrs. J. Becker was winner of the first bond.

\$5 IN JAR

Five dollars in small change was recovered from the Crossfield and East Community Smokes Fund which is the window at Doug Carmichael's barber shop. The money will be used to send cigarettes to Crossfield and district men serving overseas.

From the price discussions.

WILL TAKE MORE

"Another heartening feature of the wheat question, as it is being discussed now at Ottawa, is the indication that in place of the 250,000,000 bushels which the government agreed to accept through its Canadian Wheat Board from the 1941 crop, the Board this year will accept 280,000,000. Assuming for this year average or near average growing and harvesting conditions, this means substantially more money in the farmers' hands and, again, more in circulation in the general business of the country."

Farmers Will Hear Report Of Delegate

Two prominent speakers, Mr. M. Jackson and Mr. L. McMillan will address a mass meeting of Crossfield and district farmers and give a report of the recent Ottawa delegation for parity prices. Mr. Jackson was a member of the delegation which met officials at Ottawa on behalf of western agriculture and Mr. McMillan will speak as a member of the Alberta Farmers' Union, which is sponsoring the meeting.

Crossfield U.F.A. Hall will house the meeting and the date is set for Tuesday, March 17 at 8 p.m.

On posters advertising the meeting, appears the slogan, "The Ottawa delegation is a start... It is up to you to carry it on."

PERSONAL PARAGRAPHS

Mr. and Mrs. Harry Blott and daughter, Irene, of Leader, Saskatchewan, have been visiting at the home of Mr. and Mrs. G. Wickerson the past week.

The scarlet fever quarantine has been lifted on the F. Mossop home and for a few days Mrs. Mossop and Elsie have been visiting in Calgary.

Mrs. C. Fox is reported as doing fine following her recent operation.

Mrs. J. Kurtz has been suffering from a severe attack of stomach flu.

Art Baker, RCAF, who has been stationed at Bella Bella for some time, was home on leave and returned to his station at the first of the week.

Mr. and Mrs. M. N. Jones entertained Rev. Dr. T. Powell of Calgary at the weekend.

Mrs. A. E. Edlund and Mary Karen, Mrs. F. Purvis, Mrs. M. Wigle, Mrs. T. Mair, Mr. and Mrs. E. Fox, Mrs. J. Belshaw and Reggie and Miss Vera Atkins were among the Calgary visitors on Saturday.

Warren Hall, RCAF, Verdun, has been home on leave. He has just recovered from mumps.

There were a number of residents of this district in attendance at the ice carnival in Calgary on Thursday and Friday.

OKOTOKS DRUBBED CROSSFIELD, 11-4

Meeting Okotoks for the second time this season, the Crossfield high school hockey team journeyed to that town on Friday night and received a beating to the tune of 11-4. It was not, the boys say, that they played poor hockey, but that the Okotoks outfit is a strong concern. Don Stevens collected two for Crossfield while "Uncle" Carmichael and Hopper grabbed one each. Hopper and Don Stevens were given assists.

A TRIBUTE

This is a short tribute to the men of the Crossfield Victory Loan district who have worked hard in the drive to make such a fine showing. Through their hard work Crossfield and district has been able to put up a wonderful showing of loyalty to Canada and the Allies. And no less a tribute is due those who subscribed to loan with their savings.

WILL WE BLUSH!

Wait until the American engineers on the Alaska highway project take a look at the stretch of road between here and Calgary. Probable comment: "Say, this would be a good place to build a ROAD." One thing, though, we can say it has military advantages because in the case of invasion it's poor bed and surface would surely impede the enemy's advance.

BENEFIT OF THE WAR

One of the mercies of the war is that United Kingdom purchases will cause a shortage of canned herring in Canada.

Letter to the Editor

Editor The Chronicle,
Dear Sir— What is being done with regard to a salvage campaign in this district?

Your excellent editorial last week was very much to the point. What about the Board of Trade and Red Cross getting together and organizing such a campaign? Carstairs, Didsbury and Olds have all been busy and have shipped carloads to Calgary.

There must be a quantity of old metals, paper, etc. which would be found very useful by our government at this time.

What about it, Crossfield?

A Citizen

12,000 Overseas

OTTAWA. —Enlistments in Canada's armed forces from the outbreak of war to last Dec. 31 totalled 424,005, it was revealed in returns tabled in the House of Commons in answer to questions by G. K. Fraser (Con. Peterborough West). Canada's army personnel serving outside Canada was placed at "over 125,000." No figures were given for personnel of the Royal Canadian Navy and Royal Canadian Air Force outside the dominion.

Division of enlistments among the forces was: Army, 299,059; navy, 26,141; and air force, 98,405. Figures for the army showed 69,285 enlistments in 1939, 112,289 in 1940, and 101,485 in 1941.

Highest monthly figure given was September, 1939, when reserve units were mobilized following the outbreak of war and enlistments to the active army totalled 58,163.

Peak figure for naval enlistments was in May, 1941, was 2,027 men joined. Highest figure shown for 1940 was 1,942 in September.

The air force showed 5,484 officers appointed since September, 1939, with a peak of 385 in February, 1941. Enlistment of airmen totalled 93,921.

Highest monthly enlistment in 1940 was 3,967 in October.

Total air force personnel by provinces, including both officers and men, was shown as B.C.: 9,075; Alberta, 9,495; Saskatchewan, 10,634; Manitoba, 11,348; Ontario, 40,120; Quebec, 10,816; New Brunswick, 3,672; Nova Scotia, 2,298 and Prince Edward Island, 849.

Canada had 60,000 army men serving outside the dominion in the first part of 1941 and increased this to "over 70,000," in April, "over 9,000" in July, "over 100,000" in September and "over 125,000" in November.

In another return, also in answer to questions by Mr. Fraser, army figures were given by military districts on enlistments, strength overseas, attestments for overseas service, and reserve units.

The number enlisted was: Military district No. 1 (London, Ont.), 22,338; No. 2 (Toronto) 56,880; No. 3 (Kingston, Ont.) 29,976; No. 4 (Montreal) 37,309; No. 5 (Quebec) 13,752; No. 6 (Halifax) 24,404; No. 7 (Saint John, N.B.) 17,156; No. 10 (Winnipeg) 26,191; No. 11 (Victoria) 26,339; No. 12 (Regina) 20,242; and No. 13 (Calgary) 24,628. Enlistments overseas numbered 849. Representation of military districts overseas was given as: No. 1 (London, Ont.) 10,000; No. 2 (Toronto) 28,000; No. 3 (Kingston) 12,000; No. 4 (Montreal) 22,000; No. 5 (Quebec) 6,000; No. 6 (Halifax) 5,000; No. 7 (St. John, N.B.) 5,000; No. 10 (Winnipeg) 11,000; No. 11 (Victoria) 7,000; No. 12 (Regina) 10,000 and No. 13 (Calgary) 12,000.

Extract from new government regulations re sale of Farm Machinery

In order to reduce dealers operating expenses and to conserve gas and manpower, it is ruled that there must be a charge for the delivery of a machine from the dealer's warehouse or the customer's nearest station to the customer's farm. Where possible the customer is to be encouraged to call and take delivery of the machine himself. Where this is not possible, the dealer is required to make a delivery charge and while no fixed rate is set, the interpretation is that this charge must bear reasonable relation to what it would cost to have a transport make the same delivery.

Farm Leader Says \$1 Should Have Been Set for Wheat

OTTAWA, March 11.—The federal government's plan to increase the initial wheat price by 20 cents a bushel to 90 cents, basis No. 1 Northern at Port Wulmum will not be received with enthusiasm in the West, where \$1 a bushel is considered the minimum amount required to maintain reasonable farm conditions. J. H. Wesson, Saskatchewan Wheat Pool president, said Tuesday. Mr. Wesson was a leading spokesman when a delegation of more than 400 western farmers and business men, representing 185,000 signers of a petition, interviewed the government a month ago urging \$1 a bushel as an initial payment. Mr. Wesson said Mr. MacKinnon was right when he said in his address western wheat-growers would never suggest "that anything should be done in respect to wheat which will in any way limit the capacity of the government to meet the immediate responsibilities and burdens of the war."
